Re: Mortgage Foreclosure Counseling Program

Foreclosures are at a very high level in Wright County. Many homeowners do not realize that there are things that can be done to stop or prevent their home from being foreclosed on.

Wright County Community Action (WCCA) offers **NO COST** and **CONFIDENTIAL** mortgage foreclosure counseling. The program is designed to education homeowners on what their options are depending on their own individual situation. WCCA will help homeowners understand their options and to work with them to work with the lender to try to prevent foreclosure.

We have enclosed information on Wright County Community Action's Mortgage Foreclosure Counseling program. Please take this opportunity to review the information. We are requesting that you make the information available to the public.

If you have any other questions, please call one of WCCA's Foreclosure Counselors at (320) 963-6500.
