

The Bridge—Volume 136

CITY OF ROCKFORD

MAYOR'S MESSAGE

The Council is reviewing our long-term street improvement plan with the city engineers and are looking for ways to fund future projects. Our objective is to save up enough money to pay the city's share without bonding, which is approximately 70% of the cost. Residents benefiting from the street improvements are assessed the standard 30% per unit and have been notified of the possible 2019 street assessment. If council approves to move forward, we will have a \$480,000 mill and overlay street project in the Autumn Oaks and Woodhill areas this year.

Please continue to keep fire hydrants clear of snow during the rest of our snow season. Having access to a fire hydrant clearly saves time in responding to an emergency. It is also important to make sure cars are not parked on the streets when it snows so plows can get through and clean the streets for our safety.

Mark your calendars for the Fire Department's pancake breakfast on Sunday, May 5th and come support our amazing volunteers. Also, Crow River Thousand Hearts event will take place on Saturday, May 18th. Please check their website to volunteer or coordinate an activity in our community.

Wish you all a Happy St. Patrick's Day!
Mayor Renee Hafften

2018 VOLUNTEER OF THE YEAR

The City of Rockford is searching for its 2018 Volunteer of the Year. Nomination forms are available on the city website, City Hall, Community Expo or the library. Please submit your nomination no later than noon **Wednesday, March 20, 2019**.

City Council will vote for the 2018 Volunteer of the Year at their March 26th meeting.

LOCAL BOARD OF APPEAL AND EQUALIZATION

Important Information Regarding Property Assessments
This may affect your 2020 property taxes.

NOTICE IS HEREBY GIVEN that the Local Board of Appeal and Equalization for the City of Rockford, Wright and Hennepin County, Minnesota will meet on Tuesday, the **9th day of April, 2019** at 6pm at City Hall in the Council Chambers at 6031 Main Street, Rockford. The purpose of this meeting is to determine whether property in the jurisdiction has been properly valued and classified by the assessor.

If you believe the value or classification of your property is incorrect, please contact your county assessor's office to discuss your concerns. If you disagree with the valuation or classification after discussing it with your assessor, you may appear before the Local Board of Appeal and Equalization. The board will review your assessments and may make corrections as needed. Generally, you must appeal to the Local Board of Appeal and Equalization before appealing to the County Board of Appeal and Equalization.

Sharing love and faith by gathering and serving in our communities to address Health, Habitation and Hunger.

The **7th annual Thousand Hearts Crow River Serve Day** is **Saturday, May 18, 2019**. Join over four-hundred volunteers in one day of service to our communities. Projects include groundwork at Elmwood Cemetery, Rockford Schools and the Ames-Florida Stork House, community gardens, donating blood, planting flowers at Greenfield Central Park and packing meals for Kids Against Hunger. Many projects are family friendly. The day includes a light breakfast and lunch at Riverside Park in Rockford and a program and dinner at Rockford High School Commons. For more information and to sign up, contact Annette Tryon at annette-tryon@gmail.com or visit our website at www.thousandhearts.weebly.com and like us on Facebook at Thousand Hearts Crow River Serve Day.

Thousand Hearts 365 exists to address community needs throughout the year. Currently volunteers are Reading Buddies at Rockford Elementary School (REAMS), perform seasonal ground work at the Ames-Florida Stork House and provide help for seniors when asked. If you would like to join a group of 'on call' volunteers, contact Annette Tryon at annettetryon@gmail.com.

MAILBOX REGULATIONS

Your local postmaster must approve the location of your mailbox. Put a roadside mailbox where a carrier can reach inside without leaving the truck. That means positioning it about 41” to 45” off the ground and back about 6” to 8” from the curb. **Remember to keep the path to your mailbox clear in inclement weather.**

If you’re mounting a curbside mailbox on a post near the street, the support should be secure and safe. The best supports are designed to bend or fall away if a car hits them.

The Federal Highway Administration recommends:

- a wooden mailbox support no bigger than 4” x 4”
 - a 2”-diameter standard steel or aluminum pipe.
- Bury your post no more than 24” deep, so it can give way in an accident.

Don’t use potentially dangerous supports, such as:

- heavy metal pipes.
- concrete posts.
- farm equipment, such as milk cans filled with concrete.

In areas with lots of snow, we suggest a semi-arch or extended arm-type support. That way, snowplows will be able to sweep under without knocking it down.

C O M P O S T S I T E

The compost site on Elm Street/CR 33 is scheduled to open to City of Rockford Residents on *Monday, April 15th*, **depending on the weather**.

Items accepted: grass clippings, leaves and brush no larger than 3” in diameter. All bags used to transport composting must be removed.

Please observe the following guidelines:

- Please remove all bags, bottles and flower pots.
- Yard waste mixed with rocks, metal, concrete, polystyrene foam, animal feces or foreign material is unacceptable.
- Landscape fabric does not decompose and is not allowed at the compost site.
- Grass clippings, leaves, garden waste and all soft bodied plant material is acceptable for the compost pile.
- Brush, sticks and wood waste need to be separated from compostable yard waste. Woody plant material does not degrade as fast as soft bodied plants and needs to be handled separately

All wood waste and brush needs to be placed in the brush pile which is separate from the compost pile. The city hires a contractor to remove the wood waste from the site every fall. Please observe the following rules to help keep this cost minimal for the city:

- No stumps
- No lumber or landscape timbers
- No concrete
- No logs over 6” in diameter
- Place all leaves and grass clippings in the compost pile.

Hours of operation:
Monday-Friday 7:30am-3:00pm
Wednesday Evening 4:30-8:30pm
Saturday 8:00am-noon

The compost site schedule is subject to weather and site conditions. Only material originating within the city limits is allowed at the site. No commercial lawn care or tree companies are allowed at the site. The site may also be closed if an illegal dumping creates a problem that needs to be corrected.

You do not need to check out a key at city hall.

NO OTHER DUMPING IS ALLOWED.

Finished compost material may be available to Rockford Residents.

Waste Management **collects recycling every other Wednesday**. The 2019 calendar is available on the City website or at City Hall.

Recyclables must be set out at the curb by 7 a.m. Face the lid toward the street and the handle toward the house.

Items for recycle: metal cans, plastic bottles & containers #1-7, glass bottles & jars, paper, flattened cardboard & paperboard, and dairy & juice cartons.

DO NOT INCLUDE: plastic bags, sharps & medical waste (needles), foam cups & containers or food waste.

The City of Rockford supports residential recycling in the general fund budget. Recycling was state mandated by legislature. The more everyone can recycle the bigger the county rebates, reducing the tax burden.
