Thank you to all the volunteers and sponsors who supported Rockford River Days 2019! It was a wonderful weekend, despite the rain on Saturday. A special thank you to Billy Sipe for being our 2019 Grand Marshal. After 27 years supporting River Days, Rick Martinson has decided to retire and pass his keys on to someone else. Thank you, Rockford Rick, for the many hours you dedicated to River Days. You will truly be missed.

Mark your calendars on October 12th for our 4th Annual Rocktoberfest at Riverside Park! We have an outstanding venue of bands (Shane Martin, Jesse Larson, GB Leighton and Chris Hawkey) with concession stands of food and refreshments. Admission to the event is free so come on down to the park to hear great music and support the Fire Department Auxiliary and Rockford Area Historical Society!

City staff is diligently working on 2020 budgets for council to review and approve over the next few months. The Truth in Taxation hearing will be held on Tuesday, December 10, 2019 at 6:00 PM in the city council chambers.

Crow River Christmas will be on Saturday, December 7th. Visitors from other communities are always commenting on how beautiful the trees and lights are at the park. Contact RiverWorks if you want to sponsor a tree this year.

Hope to see you around town!

Snow Season Parking

During the period from **November 1st to April 1st** it shall be unlawful for any person to **park a vehicle** on or **within fifteen feet of the roadway** between the hours of 2 a.m. to 6 a.m., and anytime after there has been ice accumulation, continuous or intermittent snow fall during which there has been **accumulation of two inches or more** of snow on any street until plowed or removed the whole width of the roadway. Vehicles parked in violation of this ordinance will be towed and stored at the owner’s expense. **At NO TIME shall a vehicle be parked on ANY street for more than twelve (12) hours.**

Snow Plowing—It is unlawful to deposit snow onto ANY city, township, county or state road. Doing so is a violation of state statute and you will be fined.

Fall Clean Water Tips

- Have a storm drain near your home? Act as its guardian and keep it free of litter and leaves.
- Continue to rake or sweep tree leaves and grass clipping from streets, driveways, sidewalks and dispose of at the City's compost site. Never dispose leaves or grass clippings along shoreland, in ravines, in drainage ditches or in wetlands.
- If leaves are less than two inches thick on your lawn, consider mulching them in place by making several passes with a power mower. Your lawn will look raked, and the shredded leaves will provide nutrients back to your lawn.
- Fall is the best season to fertilize your lawn and control common weeds. Weed and feed responsibly. Use fertilizers and pesticides only as needed and always read and follow product instructions.
- Be phosphorus conscious! Minnesota’s Phosphorus Lawn Fertilizer Law requires use of phosphorus-free fertilizer on established lawns unless soil testing shows a need for phosphorus. Re-establish vegetation on bare soil spots.
- Pick up and properly dispose of pet waste to prevent not only nutrients but also harmful bacteria from reaching our local lakes rivers and streams.

Farewell and Welcome

We are all very sad and excited for Marlys Elsen who retired on August 30th. We wish her all the best as she starts a new adventure. Welcome Sheri Moyer as our new Utility Billing Clerk/Administrative Assistant! Sheri comes from the city of Minnetonka and we are very happy to have her join our team in Rockford.

Recycling

Waste Management collects recycling every other Wednesday. The 2019 calendar is available on the City website or at City Hall.

Recyclables must be set out at the curb by 7 a.m.

The City of Rockford supports residential recycling in the general fund budget. Recycling was state mandated by legislature. The more everyone can recycle the bigger the county rebates, reducing the tax burden.
