CITY OF ROCKFORD

MAYOR'S MESSAGE

School is out and now summer begins. Congratulations to all the Rockford graduates and to the graduates from the surrounding schools! We wish you all the best as you begin a new adventure and make all your dreams come true.

I am pleased to announce our new team member at Public Works, Mike Hoppe. He recently joined our team as our Mechanic and Streets Worker. Welcome to the team Mike!

We are happy to say the Riverside Park shelter building project is going along very well. It is expected to be ready at the end of June, barring any weather delays, and will be available for graduation, anniversary, family reunion, retirement and other celebrations.

Mark your calendars for the Rockford River Days Celebration August 7, 8 and 9! Please come to Riverside Park with your family and friends to enjoy the festivities – Live Band Friday and Saturday night, Duck Drop, Fire Dept. Waterball Competition, Market Place, Carnival Rides, 5K Run, Volleyball, Food, Coronation and Parade (Sunday @ noon).

Movie in the Park will continue this year if we have enough volunteers and sponsors. This is a positive family event offered to our community. Please contact Audra at City Hall (477-6565, press 2) if you would like to volunteer or sponsor a movie this year.

Enjoy your summer!

ADMINISTRATOR'S REPORT

Welcome to Summer!

There is a lot to look forward to in the City of Rockford these days. Summer time marks the beginning of several months of barbecues, enjoying the great outdoors and attending all the events that go with great weather. The Park Shelter is nearing completion and the city's parks are ready and waiting for fun in the sun.

The city's housing market has rebounded very well this year, with the twin cities real estate market hitting pending sale levels not seen since 2005. Here in Rockford, the city has doubled pending sales and closings

since this time last year. We also have had a lot of interest from different developers who consider Rockford a good place to build or locate their business.

Finally, the city's budgets ended well according to the 2014 Audit, and we are closely tracking our finances as we begin our budgeting process for 2016. The Water and Wastewater Utilities appear to be operating on track thus far, we will continue to monitor their performance throughout the summer.

Best wishes, and enjoy all the fun that summer time brings!

RIVERSIDE PARK SHELTER UPDATE

The new Riverside Park Shelter is under construction. This project is expected to be finished by the end of June.

ROCKFORD RIVER DAYS AUGUST 7TH-9TH

As summer quickly approaches this year many changes are happening at Riverside Park.

Most notably the new and improved shelter and picnic area. This new building will not only fulfill the needs of our residents but upgrades in power will improve the Rockford River Days celebration as well.

Speaking of the River Days celebration which occurs August 7,8,9th this year the Festival Committee is in need of people willing to help out by volunteering their time and effort to bring the best of what Rockford has to offer. We specifically need help this year with the Bean Bag tournament on Saturday and also help with the parade on Sunday.

I have been involved with this great celebration for more years than I care to remember but it would be great to get fresh ideas and volunteers to share the work load and make it easier for everyone involved.

Please consider becoming a part of a fun filled weekend. The River Days Festival meets every 3rd Tuesday at 6pm in suite 700 at the Rockford Mall. You can contact me @ rickm@cityofrockford.org or call me @612-875-1356

Thank You, "Rockford Rick Martinson"
2015 River Days Festival Coordinator
